None of the materials or advertisements herein constitute offers or solicitations to purchase or sell securities of the company profiled herein. Day trading, short term trading, options trading, and futures trading are extremely risky undertakings. They generally are not appropriate for someone with limited capital, little or no trading experience, and/ or a low tolerance for risk. Never execute a trade unless you can afford to and are prepared to lose your entire investment. All trading operations involve serious risks, and you can lose your entire investment. In addition, certain trades may result in a loss greater than your entire investment. Always perform your own due diligence and, as appropriate, make informed decisions with the help of a licensed financial professional. TriBeCa Trade Group makes no warranties or guarantees as to our accuracy, the profitability of any trades which are discussed, or any other guarantees or warranties of any kind. You should make your own independent investigation and evaluation of any possible investment or investment advice being considered. Commissions, fees and other costs associated with investing or trading may vary from broker to broker. You should speak with your broker about these costs. Be aware that certain trades that may be profitable for some may not be profitable for you, after taking into account these costs. You should also be aware that, in certain markets, you may not always be able to buy or sell a position at the price I discuss. Thus, you may not be able to take advantage of certain trades discussed herein.
